Recapping 2005 Reunion

We had a great reunion last year with 64 people in attendance on Saturday. We were excited to meet several new relatives and always look forward to seeing our regular attendees.

We met James McCoy of Yukon, OK, brother of Pierce who has attended our reunions for several years. Their grandmother was Caldonia Harrell McCoy. Worthy and Ethelyn Burris of Choctaw, OK was with us for the first time. LaWanda Posten and Carolyn Bingham of Tulsa were in attendance. Also glad that Ross Wade brought his daughter, Dana on Friday night and Saturday. Deniese Stapp Barnett came with her daughters, CaSandra Barnett and Jessica Watson and CaSandra's beautiful little daughter, Sicily Rose.

Nancy McCraw Poore of Norman was a first time visitor and Dora Bradly from Arkansas was with us again this year. She is the sister of Calvin Warren.

Bruce Gillin, Porter, OK and his sister and brother, LaVon Lewis, Tahlequah, OK and George Gillin, of Oark, Arkansas came and brought beautiful peaches for the auction from Porter, which is the "Peach Capital of OK".

We hope all the newcomers had a great time and we welcome you back again this year.

Everyone enjoyed the delicious brisket and ham that Wilbur and Mary Lou Wade, of Barnsdall, OK smoked for us. We especially enjoyed the smoked mushrooms that Wilbur prepared...the only problem was they vanished in a hurry! Hopefully, this year he will fix more as they were certainly a hit with everyone.

I also wanted to share the news of the wonderful silent auction we had which brought in much needed funds for the expenses of our meeting place, postage and printing of the newsletter and invitation. We had a total of 49 articles and raised \$505.75 plus some donations I don't have figures on.

PLANS FOR 2006 REUNION

Dwain and Patty have everything under control for the reunion this year and we are looking forward to it on Friday night, August 4th and Saturday, August 5th in Tecumseh, Oklahoma to be held in the same place....City Auditorium in the middle of town.

I recently read in the paper that the auditorium has been painted and a new \$4,500 dishwasher installed. Can't wait to see that!

Wilbur and Mary Lou Wade will again this year be fixing the meat, consisting of brisket and ham. He's promised to smoke more mushrooms! They were absolutely delicious. Wilbur was in the catering business for many years and has lots of experience. He told me last night that this last week he cooked for 70 people for one week for his King of the Road camping club and then cooked brisket for his alumni group in Barnsdall. (All this time with an abscessed jaw tooth.) He has more energy than I do....

Barbara Snow recently called me wanting to do something for the children. Possibly an arts and craft corner and a short skit if there are enough children in attendance. We, (Dwain and I) think this is a great idea and if there are any of you who would be interested in donating craft ideas or supplies, please be in contact with Dwain or myself and I will get the word on to Barbara. I'm sure Barbara could use the help as she and Tom have been so faithful to drive from The Colony, TX every year along with taking care of actually printing the T-shirts with the reunion logo on them and helping to sell them at the reunion. We appreciate them so much.

We will still do the silent auction and hope to see a lot of articles for sale. If you have a special artistic talent, be sure to make something for the auction. If you don't do crafts, I am sure you have something lying around the house that is still in excellent condition that you could part with. "One person's trash is another person's treasure."

This has been a tragic year for many of us with loss of loved ones in our family. Particularly, in my family with the death of my older sister, Velma McLaughlin McCraw. She enjoyed the reunion so much and was such a participant in all phases of it. She especially enjoyed preparing coconut cream, pineapple cream, chocolate, and lemon pies for the dessert table, making handmade articles for the auction and showing her many quilts at "Show and Tell". She will definitely be missed. Last year she made a beautiful full-size red and white quilt and placed in the silent auction. Mary Lou Wade was high bidder paying \$200.00 for it.

Ezra and Dorothy Simpson will definitely be missed by all the Stapp reunion people too. They were so faithful to attend from the very first reunion we had back in 1986 (I think). Ezra was always willing and ready to give our blessing at our noon meal. Later years he had trouble getting around like he'd have liked, but it never kept him from being a part of the reunion. Ezra and Dorothy at one time lived in Elmwood, OK

and ran a motel business and Dorothy retired as a postmaster after many years. They were loved and will definitely be greatly missed.

REGISTRATION FOR REUNION

Attached to this newsletter is registration for the reunion. **Please fill it out and mail it back in** so we can have a count as to how many will be attending as we desperately need this to determine the amount of food to purchase. Last year we had too much food left over and it was simply because we did not get registrations mailed back. If you don't let us know, you may not have any lunch. Those returning their forms will be served food first and what is left will be yours.

TIDBITS OF NEWS

Received this information in 2004, but thought someone might be interested in writing them.

Viola writes...Hi, Yes, you did mail me an invitation to the Stapp Reunion in Tecumseh. Thank you so much! My husband's paternal uncle, William M. Dyer was married to Mary Wade, the daughter of James Spencer Wade. Also one of the Stapp daughters married my husband's maternal uncle, William Patterson and they had children. His wife died, also two daughters. They are buried in Arkansas. William Patterson remarried and lived in Oklahoma. I will enjoy getting any information that you have about the Wade and Stapp ancestors. I will be unable to attend the reunion as it is too far to travel. Toledo, Washington is a small town of about 600 plus people and we live on a farm about 5 miles from town. Good to hear from you and THANKS again.

ADDRESS BOOK UPDATES

With postage at an all time high, we try hard to have correct addresses so we don't have to resend invitations and newsletters. If you would be so kind as to let us know about address changes in your family, it would certainly help with expense and loved ones not receiving their invitations. Please keep us advised if you aren't interested in receiving our news or would like to have someone added to the list.

It is an almost impossible task keeping the addresses current but we try hard. It's a lot of work putting together a newsletter especially when no one contributes news, so if something exciting happened in your family or you would just like to "brag a bit", we'd be delighted to hear from you.

I have one dear cousin, Virginia Huff, who saves newspaper articles for me from the Shawnee newspaper and without her help there wouldn't be much news about our family. Thank you, Virginia, for your help!

For the last several years I have added death dates of our loved ones to the address book and left their names and addresses. After the invitations are sent out this year and we get back the undeliverable ones, I will update the book and have them available at the reunion. If you are interested in purchasing one, it can be mailed to you for \$4.00, postage paid. Reunion price will be \$3.00.

AMERICAN LEGION HONORS HEROES

Shawnee NewsStar – April 29, 2006

A Soldier of the Year, police officers, firefighters, educators and other community leaders were honored during the American Legion's annual awards banquet in Shawnee April 18, 2006.

Gary Crosby, commander of Tecumseh's American Legion Post No. 260, presented two veterans with their pins for 50 years of membership in the American Legion.

John Sloat and Henry Huff, Jr., accepted those honors from Crosby.

You can't imagine what hell soldiers go through in time of war," Crosby said, as he took time to tell the audience about Huff.

Huff, who served in Korea, was a prisoner of war for 33 months. He was taken captive in 1950 by the North Korean army and was released three years later, Crosby said.

"We're free....and we want Mr. Huff to know that what he had to endure is not forgotten," Crosby said.

Huff accepted his award and received a standing ovation.

The Power of God is obvious, but the **love of God** is the biggest wonder of all.

Whether you think you can or whether you think you can't, **YOU'RE RIGHT!**

STAPP LOG CABIN IN PINK, OK

This year I obtained several pictures of the old log cabin in Pink that were taken back in 1979 when the building was still in tact. I've made several copies of them and given to people who were interested. If you want copies of the pictures, I can do that for a very small fee.

Last year I was able to get some old wood from the structure and have at the reunion for family members, since Samuel Stapp built the home during the early 1900s. It would be interesting to know if anyone did anything with their wood. Let me know if you painted on it, mounted it somewhere, or have a unique idea for it. I will publish the results of your comments.

Hi Olivia

Bill Stapp here. I'm from the line of Abraham Stapp blood line and before that back to the Vikings in 900 to 1000 AD that roamed England. Had the DNA testing done to verify that I am descended from the English Stapps who lived in Killingholm England, 3 doctors have verified that the ligament growth that is on my left hand comes from Viking ancestors.. Last weekend there was a Stepp/Stapp reunion in TN. and I wondered if anyone from the Tn Stepp/Stapp had ever attended the OK reunion??? If not would you be open to have someone attend and exchange information and photos about the OK Stapp family with the TN Stapp/Stepp family line. Most of them came from Adair County Northern Tn and Virginia and some from Georgia.

Bill Stapp (the one in Arkansas) Descended From Wyatt born in 1814. and William M., B.in 1844 and Granvill, B. in 1882

Note: Bill's e-mail address is: bstapp@starband.net if anyone is interested in corresponding with him.
